CONFESSES HIS CRIMES

Ben Burns Tells of His Doings With Crayen.

PRISONER IS OUTSPOKEN

Tells of Robbing of Safes at Ripley and Coyle.

Guthrie, O. T., July 15,-Sheriff Bill Tilgluman left resterday for Chandler the attorney for Messner and Dale & with his prisoner, Ben Burns, who will Elerer are for Mackey. the attempt to rob the bank at Stroud. Cravens and his gang in the recent safe The arrest was accomplished through nied the motion to review the case of Bose Caver vs. Harriett Hamilton, the blowing at Coyle and Ripley and Stroud. still hant for the Cravens crowd for a long time. Tilghman had located the men near Cleveland and scat instructions | the local land office. to the deputy at that point to be on the watch, with the result that Cravens and Burns were surprised at a point on the river near Cleveland where the latter was vocating up" and his capture was easy. Cravens was seen at a short distance by the officers but made his escape on foot and nione into the hills where he is being closely pursued by a posse with little Sellers Could Afford to Pay Big Li-

Illebrana records that Burns is an old timer and has served in the Kansas penitentiary at which place he formed the from the young man at Strond at the drink. of the attempted robbery of the bank at that place. In his talk Burns stated that the railroad safes at Coyle 21,000 per month to sell mixy in his disand Risley were robbed by himself and were with Cravens, being men of his selection, and whose names were not remembered by the prisoner.

DISTRICT KNOCKED OUT

School Dietrict Falls to Get Half Glencoe, O. T., July 13.-The Mirror says

that the school district of that place was knocked out in its contention for a ball mile additional territory on the west before the commissioners last Wednesday. The care alld not come on for trial beofficially notified, and the entire proceeding would therefore have been illegal. Whether this was the fault of the ex-superintendent or of the officers who were to post the notices, is not known. At any rate, Glencoe would have been defeated in regular trial before the commissioners, as the district from which we were would have only about \$11,000 valuation. while this district would have us it is ready in favor of this district would have been too great and a division on the ground asked by Glepcoe would have willne to try it apple. a bardship to the district west of willing to try it again. us. We presume It was not the intent of our people to work such a hardship and the people acquiesce in the arrangements made and will contend no further for additional territory.
